TRACK AND FIELD TEAM STATE CHAMPION

MITCA membership has previously voted on how to conduct team championships in track and field. However, questions about prior questionnaires have arisen – to the degree that the MITCA executive board wants to be certain it understands the membership. It is our hope that your responses to the next three statements on this questionnaire will accomplish that goal.

The next three statements (4 – 6) concern themselves ONLY with determination of the state team champion and state team runner-up. These statements –are not intended to suggest ANY change in the current MHSAA Final Meet with regards to all-state individuals and all-state relay teams.

- 4. The MHSAA T&F Final Meet team champion and team runner-up should be determined by using the current MHSAA meet, scored to 8 places, with MITCA continuing to sponsor its own Team State Meet.. 50% 50%
5. The MHSAA T&F state champion team and runner-up team should be determined by using format of the current MHSAA meet, but score the meet to 16 places, with MITCA continuing to sponsor its own Team State Meet. (see clinic notes for ex. Of team scoring effects). 32% 68%
6. The MHSAA T&F team champion and team runner-up should be determined in a separate MHSAA tournament (format TBD) with what is now the MHSAA state finals meet becoming a non-scored Individual State Finals. 49% 51%

CURRENT STATE TOURNAMENT MEETS

- 7. The number of places scored at the MHSAA Regional and MHSAA Final meet should be the same. 71% 29%
8. Announcements at the MHSAA Regional and MHSAA Final meets should be limited to a single check-in announcement only. (this would replace the format of 1st/2nd/3rd calls) 36% 64%

TRACK & FIELD EVENTS

- 9. The triple jump should be added to the roster of track and field events in Michigan. 34% 66%
