<p><u>Question details</u> <i>Regional Meet:</i> held two weeks before the Final Meet Eighteen schools attend each regional meet Qualifying to the next round (super-regional) are:</p> <ul style="list-style-type: none"> • Top six teams • Any individual finishing in the top thirty <p><i>Super Regional Meet:</i> held one week before the Final Meet Three regions advance to one super-regional Qualifying to the next round (final meet) are:</p> <ul style="list-style-type: none"> • Top nine teams • Any individual finishing in the top thirty <p><i>Final Meet:</i> First Saturday in November</p>		

Additional Comments:

NO! on super regional proposal. You guys are NUTS! We already run too many meets!

Great Proposal – Keep at it!

I like the super-regional idea. But, there should be more individuals qualifying out of super-regional, such as 40 or 45 places. The idea must be to award an individual for a good season. INDIVIDUALS GET HURT HERE!!

If the final # of athletes qualifying at the Super Regional was set at 45, then I would have voted yes.

One of our girl runners received a medal at every race this season and once she got the regional medal she stated “The one medal that means the most to me looks the worst”. Please make the regional medals a bit larger and more special with the placement engraved on the back. Thanks.
