

My name is Josh Vork and I coach both Track and Field and Cross Country at Zeeland East High School.

I started as an assistant coach in 2007 and became the head girls track and field coach in 2015 and the head girls cross country coach in 2016. In that time, ZE girls track and field has won 6 regional titles, 3 MITCA Team State titles, and has finished in the top 3 at the MHSAA state finals 4 times, including 1 championship. In cross country, we've qualified for the state finals 4 of the past 5 seasons finishing 8th place this past fall, the highest in school history. In addition to coaching, I work full time for Gazelle Sports where, among other things, I organize the Elite Mile, Elite 3200, and Elite 200 each indoor season. I am married and have 3 kids; my wife coaches both sideline and competitive cheer at West Ottawa, so there is no such thing as an offseason in our home, and that's just the way we like it. This sport holds a special place in my life, as it does for all of us, and I'd be honored to serve as secretary on the Executive Board.

Thank you!
