## Mitten Athletics Supply

Mitten Athletics Supply is a local track and field supply company that prides itself on caring for the growth of Michigan track and field. Our founder is a coach in the state and knows how hard we all work to support our athletes and continue to grow our sport. On top of equipment supply, we are here as your consultants to what equipment you need, facility layout, etc. Our podcast, Mitten Athletics Live, is also here to keep the information flowing for changes, updates, and highlighting our amazing athletes. Here at Mitten Athletics Supply, we are a full-service company looking to continue the growth of this sport in our amazing state and highlight the achievements of our athletes!
